

## **DIY King Sized Platform Bed Frame**

### Supplies:

4 - 2x6x8 Pine Boards (outer frame)

4- 2x4x8 Pine Studs (inner frame)

15 - 1x4x8 Pine Boards (slats)

1 - 4x4x8 Douglas Fir (legs)

Box of 2 1/2 inch screws

1 Quart Rust-Oleum Ultimate Wood Stain (Dark Walnut)

1 Quart Minwax Satin Finish Polyurethane

Sand paper- Fine grit for sanding between poly coats, coarser for sanding the outer boards (we used 350 and 220, respectively)

Wood glue

4 Foam brushes

### Other necessities:

Miter or circular saw to cut boards

Power drill and drill bits

Power sander

Square

Clamps
